(7) Contractor's Secrecy Agreement

- (a) The Contractor's Secrecy Agreement attached as Figure 7 shall be presented by the Contracting Officer of the Agency to the contractor for execution at the time classified specifications, drawings, models, documents, invitation to bid, or other matter is made available to the contractor. Unless disapproved by the Director of Security, the foregoing will be deemed to have been complied with if there is on file with the Agency a "Contractor's Secrecy Agreement" executed within 12 months preceding the execution of the next contract. The Contractor's Secrecy Agreement Addendum (page 3 of Figure 7) is prescribed for use in connection with certain covert procurement.

CONTRACTOR'S SECRECY AGREEMENT ADDENDUM

I, _____, representing _____ have been advised of the necessity for keeping the association of the U. S. Government and the Agency, CIA, with the contract a secret, and agree, therefore, to maintain the contract completely separate from the applicable drawings, specifications (task orders or change orders, where applicable), the item to be manufactured, the Security Requirements, and the post office box number to be used for mailing purposes, as explained to me by the Security Officer. I understand the instructions and agree that compliance therewith can and will be accomplished. This acknowledgment becomes an unattached addendum to the Contractor's Secrecy Agreement.
